RE: *Curry v. Volt Information Sciences, Inc., et al*, 07 Civ. 7158

Dear Judge Cote:

This firm represents the plaintiff, Andrew Curry, in the above matter.

I am writing (via our associate, Kristen Finlon) to request a revision in the briefing schedule for defendant's motion to compel arbitration. I have had to be out of the office for a family medical emergency much of this and last week, and expect to have to continue my absence. (My 91 year old father has been hospitalized with very serious heart problems.)

Counsel for defendant has consented to a proposed schedule under which plaintiff's opposition papers (currently due December 14) will be due on January 11, 2008, and defendant's reply will be due on January 23, 2008.

I would greatly appreciate the Court's help on this request, and hope the proposed schedule is acceptable. Thank you for your attention.
